ELECTION NEWS

This year three candidates have filed for the three available positions on the Adair County R-II School Board.

Those who have filed include incumbents *Keith L. Turner, Sara Erwin, and Alissa Garlock.*

The district will **not** hold an election since the number of candidates who have filed for the Board is equal to the number of positions available.

YEARBOOK SALES

The 72nd edition of the BHS yearbook is on sale for \$30.

Personalized yearbooks are still available for an additional \$5. Please make your check payable to Adair County R-II School.

KIDS HEART CHALLENGE

This year Brashear Elementary students will be participating in the Kids Heart Challenge. During the week of February 17-21, students will have the opportunity to learn about heart health and how to take care of their heart. They will also have the opportunity to raise money for the American Heart Association and incentives for our school! Fundraising packets and instructions will be coming home at the end of January.

Our culmination event will take place during halftime of the girls basketball game on February 21st, where we will have a fun activity for students and special guests. Contact Jessica Erwin by phone at 323-5272 or email jessica_erwin@brashear.k12.mo.us with any questions.

DISTRICT REPORT CARD AVAILABLE

State law (Section 160.522, RSMo) requires the Department of Elementary and Secondary Education to publish an annual “report card” about each school district, each school building, and each charter school in the state. The reports are designed to satisfy state and federal requirements for the disclosure of statistics about students, staff, finances, academic achievement, and other indicators. The information is compiled from data reported to the Department by local school districts.

The 2019 district report card is now available at: <https://apps.dese.mo.gov/MCDS/home.aspx>. Simply Locate District *Adair Co. R-II (001092)*, select *Report Card* from the left hand menu, and then click on *District Report Card*. School year 2019 should already be populated.

If you would like a copy of this report card, contact the district office at 323-5272.
