State law (Section 160.522, RSMo) requires the Department of Elementary and Secondary Education to produce, at least annually, a school accountability report card for each public school district, each public school building, and each charter school in the state. The reports are designed to satisfy state and federal requirements for the disclosure of statistics about students, staff, finances, academic achievement, and other indicators. The information is compiled from data reported to the Department by local school districts.

The 2022 report card is now available at: <https://apps.dese.mo.gov/MCDS/home.aspx>. Simply Locate District *Adair Co. R-II - 001092* and select *Report Card* from the left hand menu.
