SAYING GOODBYE

Being a part of the Adair County R-II School District for the last 33 years has been such an honor! There is no other place I would have chosen to start and end my career in education other than at Brashear!

Being a first year teacher in the “old” building and learning the “ropes” from such wonderful peers as Madeleine Crockett, Velma Aldridge, Betty Stephens, Rose Snowbarger, Ann (DeRosear) Gray, Lisa Fisher, and many others was the best start ever!! I have many, many fond memories from that great “old” building like: the heat registers being so hot in the winter, we would have to open the windows; taking the chance of getting hit by a rogue kickball if you walked out of your room during PE or recess; and walking to lunch through the “breezeway” that always seemed more like a wind tunnel than a shelter. It was the best!!

Then came the “new” elementary building...what a wonderful addition! So many memories from sitting in the Principal’s chair! And, then being hired as Superintendent. So much more than I could have ever dreamed of!

Brashear has a wonderful future ahead and I wish the faculty, staff, students, parents, and patrons only the best! It is with a heavy but FULL heart that I announce my retirement.

There’s still half a year left and lots of work to be done!

Once a Tiger, Always a Tiger...never a truer statement!
