YOUTH BASKETBALL

Brashear Youth Basketball will have a meeting on Wednesday, October 27th at 6:00 p.m. in the school cafeteria. All kids PreK-6th grade interested in playing basketball are encouraged to attend. Parents can sign their child up to play that evening and get more information on coaching a team if interested. Please like us on Facebook "Brashear Youth Basketball." We are looking forward to a great season! Save the dates for the Brashear Shootout, December 11th and 12th.

HABIT OF THE MONTH

October's Habit of the Month is Begin with the End in Mind. According to Dr. Stephen R. Covey, all things are created twice—first in the mind, and then in the real world. Physical creations follow mental ones, just like homes are built according to blueprints. To make your deepest desires a reality, you first need to see and understand what those desires are. So, in short, to begin with the end in mind is to visualize your life, career, or a specific project the way that you want it to end up being *before you actually begin pursuing it. When you make this conscious effort, you take much greater control over your life and circumstances.*

What is your end in mind?

MARK YOUR CALENDAR
