DEDICATION

RENE D. HUNT

Rene D. Hunt retired from a forty-year teaching career at the close of the 1967-68 school year after twenty-two years at Brashear. In September, 1946 he began serving the Brashear School District #44 and continued serving when the district became part of the Adair County RII Re-organized District.

Rene D. was born at Grant, Iowa, on March 21, 1903, to George S. and Laura Duree Hunt. He has an older sister, Sadie, and a younger brother, Bruce, both of Kirksville. The family lived for a few years in North Dakota then moved to Holt County in northwest Missouri.

Rene was a good athlete. He went out for football his first year and played in the first football game he ever saw. He lettered in football, basketball, and track all three years he attended Kirksville High School.

After graduating from high school in May, 1922, Mr. Hunt entered the Kirksville State Teachers College in June. He received his B.S. in Education Degree in 1922, his Masters Degree in 1948, and was prominent in athletics for five quarters.

On August 3, 1923, he married his high school sweetheart, Ora Waddill of Brashear. A daughter, Jeanne, was born on May 19, 1924.

Through the years 1923-46, energetic Hunt was employed in many different places in various capacities. Some of his appointments were coaching, teaching math and science, and being superintendent at Humphreys, Knox City, Brashear, Bible Grove, Dalton, Queen City and Kinderhook, Ill.; salesman in Hannibal; a war plant employee at Louisiana; and a businessman in Kirksville.

Since 1946 he has devoted untold time and effort to the progress and betterment of the Brashear Schools. The valuation of the district has increased through annexation and reorganization from \$163,000 to over \$3,000,000. The tax levy has only increased from \$2.55 to \$3 during this time and a new high school building has been constructed. There are currently five buildings in use that make up the housing for grades K through 12.

The total enrollment has gone from 170 to 330. The faculty has increased from 8 to 22 and the number of units offered in the high school has increased from 18 1/4 to 44. Three buses were operating in 1946 while presently seven are covering the district.

Mr. Hunt is also city clerk and is active in the Lions Club and church work.

Superintendent Hunt was never satisfied with the past accomplishments, but always worked for better educational opportunities for the students of the school district.

JUNIOR-SENIOR BANQUET AND PROM

Saturday evening, April 27, was the setting of the annual Junior-Senior Banquet and Prom. The theme chosen for this year's prom was "Shower of Stars." The theme was carried out at the banquet held at 6:30 in the new gym. Tables were decorated with silver and pink centerpieces, nut cups, place cards, and programs. A candlelight dinner was served by the Junior Mothers.

When everyone was seated, Kenneth Crandall, Master of Ceremonies, introduced Bradley Selby, President of the Junior Class, who gave a short welcome speech. Kathy Person then gave the blessing. After an appetizer, the meal of ham, baked potatoes, corn, hot rolls, and a choice of iced tea or coffee was served by six couples from the Freshman Class. After dessert of angel food cake with pink frosting and fruit cocktail jello, Kenneth introduced Mr. Hunt and Mr. Salter who gave some helpful hints to the Seniors.

Bonnie Crossgrove, Cathy Robertson, and Brenda Riley sang "The Impossible Dream." Albert Zentz, Senior Class President then gave a short thank you. The Seniors and guests were invited to go over to the Prom.

As guests entered the prom, they went through an arch of white tissue and pink flowers. They entered into a roof garden filled with the soft music of the Continental Brass. The focal point was then brought to a mass of tissue paper covering a rectangle with the name of the theme on it. It changed colors as did the arch via reflectors. The stage was depicted as a huge picture window showing a skyline in a metropolitan city. The false ceiling was of midnight blue with pink and silver accenting the band area. Five large stars also hanging from the ceiling as well as tiny ones that sparkled all over the ceiling. The walls were covered with pink and silver streamers twisted down and attached to the floor. Tables and a punch bowl were placed at the west end of the gym. Pink punch chilled in the shape of a star was served by Mrs. Junior Hewitt and Mrs. Dale Elsea.

As the seniors wave good-bye and Mr. Hunt locks up for the last time, the 1967-68 school year comes to a close. The seniors will never return as will not Mr. Hunt who is retiring after a long and successful career.

Mr. Hunt locks-up for last time.

The Tiger Trails yearbook traces the events of an exciting year at B.H.S. Underclassmen, we seniors are leaving good old B.H.S. in your hands. Take good care of her and don't be over-anxious for your commencement.

The yearbook staff would like to thank Mrs. McIntire for her hours of work and help. Next year's journalism class will be very fortunate, too, to have her guide them.

Good luck and good-bye.
