But I can't make it, till you come home again to stay.
I can't get used to living here,
While my heart is broke, My tears I cry for you,
I want you here to have and hold,
As the years go by, and we grow old and gray.
Now you're expecting me to live without you,
But that's not something that I'm looking forward to.
I can't get used to living here,
While my heart is broke, my tears I cry for you,
I want you here to have and hold,
As the years go by, and we grow old and gray
Everytime I see your face,
It reminds me of the places
We used to go,
But all I've got is a photograph,
And I realize you're not coming back anymore
