# Graduation

“Don’t tell us the sky is the limit  
when there are footprints on the  
moon.”

Congratulations, Graduates!!! On May 24, 2009, Brashear High School recongnized its newest class of graduates: the class of 2009. These twenty-one students worked hard during their academic careers at BHS and now they are ready to go on their own paths. Whether their futures take them to college, vocational training, the military, or the workforce, they know their futures will be dependent on how hard they worked and prepared themselves at BHS. The class of 2009 was academically gifted by evidence of their nine honor society selections; seven BHS chapter Honor Society members and two National Technical Honor Society members. This class earned almost \$70,000 in scholarships from various institutions and organizations. They will use this money to travel the world, study far away, or prepare for the workforce close to home. No matter where the road takes the Class of 2009, they need to know that their friends, family, faculty, administration and staff will miss them and wish them the best of luck.

# Strong Work by Academic Bowl Squads

Right: The HS Academic Bowl squad ponders a difficult question.

Both the Junior High and the High School Academic Bowl teams had outstanding seasons this past spring. The Junior High team raced out to a 6-1 record on the season and recorded a strong 3rd place showing in the TCC. Several members of the squad gained valuable experience on the Academic Bowl circuit which will serve them well as they transition to the High School team. Nick Thomas and Andy Belzer had quality seasons overall and they were awarded with All-TCC honors.

Left: Junior High Academic Bowl Members Ashton Wolter, Nick Thomas, Andy Belzer, and Miranda Creason try to figure out the correct response.

On the High School Academic Bowl team side, the squad easily swept through the regular season with an undefeated record and a 1st place TCC championship. The team carried the momentum to districts and finished third. For their strong individual efforts, Jay Scudder and Caroline Slavin were awarded All-TCC accolades. The team loses four seniors to graduation, but should reload with a strong ninth grade class that moves to the high school level.

Above: The 2008-2009 Varsity Boys' basketball team was one of the most successful in school history. The team finished with a 24-5 record while recording tournament championships at Novinger and Brashear. TCC Coach of the Year Don Wilburn led the squad with plenty of help from TCC MVP Kiley Watson. Trae Treasure and Matt Thomas also garnered 1st-team All-TCC honors while Anthony Ambrosia and Ryan Ferdig earned 2nd team honors. In addition, Justin Hazen earned Honorable Mention. Despite dropping the district final to La Plata, the team placed Kiley, Trae, and Matt on the All-District team. The team loses a number of seniors next year, but has a solid group of players looking to defend their TCC championship. Second Row: Don Wilburn, Justin Hazen, Anthony Ambrosia, Michael McKim, Jay Scudder, Kiley Watson, Trae Treasure, Jacob Owen, Ryan Ferdig. The 2009 Varsity Track athletes made a strong showing in their performances in the rain-shortened season. At the TCC track meet, the girls were paced by Chloe Sykes' efforts in the 1600M (3rd) and 3200M (2nd), as well as the 3rd place finish of the 3200M Relay. On the boys' side, they were helped by Jay Scudder Discus (3rd), 3200M Relay (3rd), Joseph Woods 1600M (3rd), and Justin Hazen 3200M (2nd). The track athletes performed well at districts and had several athletes compete at sectionals. Chandi March, Chloe Sykes, Katie Watson, and Stephanie Elsea represented the Tigers by running in the 4X800M Relay. The boys also sent a 4X800M relay team consisting of Andy Belzer, Justin Hazen, Jay Scudder, and Joseph Woods. Individually, Joseph Woods 1600M (6th) and Justin Hazen 3200M (5th) battled the competition for a trip to state, but fell just short. All of the sectional participants, except for Justin Hazen, return next year and should challenge for multiple trips to the state track meet in the future.

Additionally, several BHS students traveled with the TCC band and choir ensembles that performed at local conference schools. The extra practice and early morning sessions really paid off.
