The softball team won the consolation championship at the Atlanta Tournament, while the JV squad took 2nd place at the Schuyler County JV tourney. ## Our Champions

The 2010 Brashear Tiger Baseball team experienced enough thrills to last a lifetime. The fall squad shared another TCC championship, but that success was only a taste of what was to come during the spring baseball season. After posting a 7-4 regular season record and dropping their last three regular season ballgames, the Brashear Tigers caught lightning in a bottle at just the right time. The Tigers made enough plays to pull out victories during district play: a hard fought 2-0 game against Green City; a walk-off homerun by Adam Songer to defeat Canton 5-3; and, a come-from-behind victory over Atlanta 16-7 for the district championship. The Tigers got timely hitting and rode the arm of All-State selection Matt Thomas. Fortunately, districts were an appetizer. The Tigers went to Cairo and won 4-1 in sectionals, and turned around two days later and defeated Sturgeon 3-2 at Doc Gardner Field in Kirksville. The quarterfinal victory over Sturgeon assured the Tigers of some state-bound hardware for the trophy case. The Tigers were not content to merely get to the Final Four in Springfield; they wanted to win it all. In the state semi-final, Matt Thomas pitched seven strong innings, and Hayden Housman scored from second base on an Adam Songer fielder's choice. Housman's speed and Coach Heath Schneider's aggressive coaching decision allowed Brashear to take a 3-2 advantage, and the Tigers held on as Matt Thomas finished off the Cooter Wildcats to advance to the Class 1 State Championship game. In the championship game against the Concordia Orioles, the Tigers fell behind early by allowing four runs in the top of the first. The Tigers fought back, but were only able to plate one run by Nick Thomas in the bottom of the third. Despite four come-from-behind rallies for wins during the post-season, a championship season was not meant to be. The Tigers' season and championship dreams came to a close losing to the Concordia Orioles 6-1. The Tigers' overall record of 13-5 capped off an historical, and often times, magical baseball season; one that will not soon be forgotten. The successful 2009-2010 baseball seasons produced many individual accomplishments, in addition to the state runner-up finish. Junior Hayden Coin's stellar play was rewarded with a 1st Team All-TCC honor. Sophomore third baseman Nick Thomas was selected 2nd Team All-TCC. Junior Cody Snelling also picked up 2nd Team All-TCC honors as well as All-State accolades for his offensive and defensive work for the Tigers. Senior Matt Thomas earned the conference MVP award, 1st Team All-TCC, and All-State for his work both on the mound and at the plate. Coach Schneider was also selected as the TCC Coach of the Year, as well as Kirksville Daily Express Coach of the Year status. The Tigers lose three seniors in Matt Thomas, Daniel Smith, and Abdu Mohammed, but return a strong nucleus of talent for next several years. Hopefully, the Tigers will make deep runs in the post-season a regular occurrence.

### Five-Peat!!! ...Six?

The BHS varsity academic bowl squad won its fifth consecutive TCC Tournament in 2010. The team went undefeated in the regular season and carried that momentum into the conference tournament. During the conference tournament, BHS defeated Atlanta, LaPlata, Bevier, and Bucklin en route to its fourth straight title defense. The squad won its first three competitions by an average of 200 points, while beating Bucklin for the title by a “mere” 50 points. The academic bowl participants played well at districts, but ultimately were defeated by North Shelby as NS upset BHS twice on the final day of the season. Regardless of the disappointing final outcome, the season was a tremendous success. Jay Scudder earned MVP honors for his high scoring performance at the TCC tournament. Nick Thomas also earned all-TCC accolades for his efforts. The squad returns most of its scoring for next year and prepares to go after a six-peat.

## Thanks for the Years of Service

The 2009-2010 school year brought the school a lot of change. Part of that change will be some new faces for the 2010-2011 school year. All of our staff have positively affected each and every one of the students in our district, however, the accomplishments of Mr. Steven Kerr, Mrs. Shelley Wood, Ms. Jeanie Casady, Mrs. Wendy Kerby, and Mrs. Denise Brown are greatly appreciated for their dedicated work to the district. Each departing staff member will travel their own particular journey in life, but we hope they will remember with fondness their time spent at Brashear. Thanks for all that you have done to influence the students of our school. Good luck with all of your future plans and endeavors.
