The 2011 spring baseball season came to an end with a season record of 11 wins and 4 losses. The Tigers had a great season in which Haydon Coin received the MVP award for both his pitching, with 103 strikeouts, and his fielding. The highest batting average was set by Cody Snelling at .541 and Hayden Housman had the most RBIs with 36. This spring Haydon Coin, Hayden Housman, and Cody Snelling were named all district players.
