Special Considerations:

I want to say thank you and welcome all of you to the 2017 Brashear Basketball Tournament. Please read the following information clearly so that everyone understands the tournament bracket and special considerations that have been made to allow us to have our tournament.

We only have 6 teams so there will be pool play between the 1,4, and 5 seeds and then pool play between the 2, 3, and 6 seeds. Teams will then play for 1st, 3rd, and 5th place as determined by the pool play. If we should have a three way tie in any of the pool-play brackets, the first tie breaker will be calculated on a point differential scale with a maximum of 20 pts being earned and lost in each game. The 2nd tie breaker will be the calculation of fewest points allowed. The third tie breaker will be a coin flip between coaches.

When you are putting scores into the MSHSAA website please add any game against Kirksville JV teams as a Non-member school. This will allow you to put in Kirksville JV as the opponent. Once you add the game it will allow you to enter a score to get credit for a win or a loss. This will also allow you to do officials evaluations for the game against the JV team. Each night will have three games with a three man officiating crew. Every school has 1 night where they play with both the boys and girls teams playing back to back with each other. Every school has two nights where they only have one game either boys or girls. I put much effort into creating a schedule that is accommodating to all the schools and I appreciate your willingness and commitment to this tournament.

I wish everyone the best of luck in this year's tournament and look forward to a great week of basketball!
