PARENT TEACHER CONFERENCES

School will be dismissed at 1:32 p.m. on Thursday, October 20th for parent teacher conferences. Conferences are scheduled from 1:45 p.m. to 7:45 p.m. If you have not already done so, please contact the school to schedule an appointment for your child(ren). You will be able to pick up first quarter grade cards at the time of your conference.

Please note that we will not have school on Friday, October 21st.

THANK YOU

Brent and Shirlene Hettinger
for their donation to the scholarship fund
in memory of Ivan Clarkson.

Quota International of Kirksville
for their donation to the
snack/birthday pantry.

Teri Crandall
for her donation to the
snack/birthday pantry.

SNACK/BIRTHDAY PANTRY

Monetary donations can be mailed or dropped off at the school for the snack/birthday pantry. Snacks are used daily by elementary classes, for birthdays, and for special class treats. Donations fund the pantry all year.

Contact Sara Erwin at (660) 626-6849 for more information.

PUBLIC ANNOUNCEMENT SURROGATE PARENT PROGRAM

Pursuant to the requirements of state law 162.997-999-RSMo, the State Board of Education is required to appoint a surrogate parent as such time as it becomes evident that a child with a disability does not have a parent or a person acting as a parent to participate in matters dealing with the provision of special education. For purposes of surrogate parent appointment, "parent" is defined as a biological parent, a guardian, or a person acting as a parent of a child including, but not limited to, a grandparent, a step parent, or a foster parent with whom the child lives. The term does not include the State if the child is a ward of the State. The term does not include a person whose parental rights have been terminated.

The local school district is given the responsibility to determine when a child with a disability who requires special education and who resides in the District is without a parent. The District must notify the Missouri Department of Elementary and Secondary Education of the need to appoint a surrogate parent. Training for persons serving as surrogate parents will be provided by the Missouri Department of Elementary and Secondary Education and the District.

If you are interested in volunteering to serve as a surrogate parent, more information can be obtained from the District's surrogate parent contact person—the person responsible for the District's special education program.

PUBLIC NOTICE

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, and children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Adair County R-II School District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, mental retardation/intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Adair County R-II School District assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Adair County R-II School District assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request an amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Adair County R-II School District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed during regular school hours on days school is in session in the Office of the Superintendent of Schools.

This notice will be provided in native languages as appropriate.

HOMELESS STUDENTS

If you are homeless and going to school, let the school know about it. Being homeless and going to school would be hard for any child regardless of age or grade level. Many things that you normally would not have worried about before become issues, such as transportation, space to do homework and school attendance. Some families are afraid to let their child's school know that they are in between places for fear of being judged or, even worse, being reported to DFS.

There are some things you should know about being homeless and going to public school:

- There are laws that protect your child's rights and your rights as a parent to be treated as any other participant of the Adair County R-II School.
- The school district has a program to help homeless families with resources to help your child stay on track and can direct you to agencies that can help you during your period of homelessness.
- It is your choice to let the school district know that you are homeless.
- The school district, like any other agency that mandates reports, must have a reason to call DFS. Homelessness, depending on the circumstances, is not grounds to make a DFS report.

Homeless students have the right to:

- Be enrolled without a birth certificate, immunization record or other required documentation.
- Attend the school that he/she attended before the family lost its home.
- Be transferred to a school closer to where he/she is staying now.
- Get assistance with free transportation to and from school.
- Have access to materials such as books and supplies to ensure an equal opportunity to participate in school.
- Receive any special services that he/she might need. These services include:
 1. Special education
 2. Bilingual services
 3. Gifted and talented education services
 4. Free lunch and breakfast program
 5. Counseling services
 6. Before and after school programs
 7. Tutoring services
- Attend school free of judgment.

Parents and guardians of homeless children have the right to:

- Be involved in your child's education.
- Be notified of and involved in any decision that your child's school makes regarding his or her social or academic career.
- Request a Student Alert team meeting for your child and include people of support. These may be a social worker or counselor from an agency you are working with or someone that has tutored your child at an after school program.
